

SEDC Talent Hub

2026 TRAINING CALENDAR

GREETINGS!

Start the new year with a clear roadmap for growth. From January to June 2026, SEDC Talent Hub brings you a diverse lineup of professional development programmes designed to strengthen skills, enhance performance, and support organisational excellence.

Whether you're looking to upskill, reskill, or explore new capabilities, our curated courses offer practical knowledge, industry insights, and hands-on learning for every level.

Unlock your potential with us as we journey into 2026—one impactful training at a time.

WHO WE ARE

Following our re-branding to SEDC Talent Hub, we have now also expanded our training offerings to include cutting-edge programmes that touch on Generative AI Power Tools, Digital Skills and ESG (Environmental, Social, and Governance) practices – in line with a rapidly changing world that brings about changing business needs too.

We believe that the future demands new skills, new mindsets, and a commitment to a sustainable planet.

WHAT WE DO?

Public Training

Bespoke Training

Coaching

Advisory & Consultancy

Events

TRAINING YOU GET WITH US

Skills training by industry demand

Not only does our training help participants meet the current demands of the industry, but it also helps them build a resilient and future-ready career path.

Tailored, future-ready programmes

Our courses are consistently updated and tailored to the latest developments in the industry, preparing both participants and organisations for the future.

250+

organizations trained with us
